Wedding FAQ's!

WHERE DO YOU SHOOT?

We will shoot where ever you want us to! We are always up for a good travel, hike, a location we've

never been to- even right in your backyard! Where are you getting married? Yes, we shoot there. We are located in Maine but have gone all over New England to photograph.

DO I NEED A SECOND SHOOTER?

If your wedding will have more than 100 guests attending then we would say, yes! We usually come as a package deal so regardless you'll get a second lens placed quietly in the distance catching all those moments you thought no one saw! Having another person there can put more of a creative twist on your final images as not every shooter captures the same way!

WHAT PRIMARY PHOTOGRAPHIC STYLE DO YOU IDENTIFY WITH?

Creating images at your wedding requires us to be articulate at several styles of wedding photography. In a typical wedding day there will be times where we will need to work in a more contemporary style, other times we will need to work in a photojournalism style. A wedding album isn't complete without stunning portraiture, correctly posed wedding parties, & of course those amazingly awesome candid! Because there is two of us we both bring very different techniques to the table!

So to sum it up you will see more than one style in our images & we find that to be our photo superpower! True fact.

HOW LONG BEFORE WE GET TO EWWW & AHHH OVER THE IMAGES?

My go to answer is most always going to be- 6-8 weeks depending on the month! Wedding season is busy but we LOVE IT! We have so much love and passion for weddings so you betcha we are waking up before the sun the next morning scrolling through & beginning the process! We always keep you up to date so you know when they're headed your way!

DO YOU DELIVER EVERY IMAGE YOU SHOOT?

No we do not. We eliminate duplicate images, test shots, missed focused shots, shots with bad expressions and other images that may dilute the overall product delivery. But we assure you our 100% best in pleasing you with the overall amount & quality you will receive.

We look forward to hearing from you!
