Wedding Image Samples and Reviews

Kate & Evan Married in Biddeford Pool, Maine - I was so lucky to work with someone as great as Nicki. Not only was she so fun to work with, but she was so professional, was really great at directing the photo sessions, even when they involved lots of grandparents who weren't listening, and took spectacular photographs! She was such a pleasure to work with starting from our very first meeting through the engagement shoot and all the way until we had received all the photos a few weeks after the wedding. I would highly recommend working with Nicki Pardo and I hope we will have the opportunity to work with her again in the future!

Lizzie & Mike Married in Boston, MA - Pardo Photo did the photography for my wedding and they were amazing!! The photographers were much fun to work with and had such a calming presence on our big day. The photos they captured were truly stunning. It was difficult to decide which ones to frame! They offered very reasonable wedding packages & were flexible about creating a package that suited my needs. Many of my friends have also used Pardo Photo for their events and all have had similar experiences.

Andrea & Michael Married in Dennis, MA - Nicki was wonderful to work with! We had so much fun taking photos with our friends and family throughout the day. When my husband and I went off to take photos with just the two of us, Nicki made us feel so comfortable and captured some beautiful moments. We are so pleased with the photos and are so glad to have worked with Nicki. We would recommend Pardo Photo to anyone.
