

## **Wedding DJ Packages**

Dynamixx Entertainment DJ's are here for one reason – to help you throw the Wedding Reception everyone will be talking about for a long time. From planning the music selections, to editing tracks for your custom Bridal Entrance, to adding special video messaging for your guests to wish the Bride and Groom well, we are here to exceed every expectation. You will not only have an amazing wedding reception, we won't cost you a fortune to do it. Check out the packages below and let us know which one you think fits your event best!

### **Classic DJ Package – Up to 100 Guests**
