What makes RBJR Photography stand out?

1. Robert has professionally photographed over 25 weddings locally.
2. Robert ensures your wedding photography is memorable and fun. He can be goofy, yet directive to make your loved ones and you enjoy the process.
3. Some of the special wedding packages come with a complimentary engagement session.
4. Robert offers his clients the option of adding a fun Photo Backdrop for reception entertainment.
5. Sure taking the picture is fun, but editing is even more fun! All your images are creatively edited. And don't worry about that blemish, it's taken care of!

6. Bonus photographer. From time to time will bring along a professional photographer so they can shoot and learn about weddings. They are quietly in the background studying and taking pictures from other angles. Although this is not guaranteed without the Gold Package, Robert does bring a second shooter or assistant from time to time. These photographers edit their own images and pass them on to you when they are done. Just a little bonus!

How do I secure my wedding date with you?

To book with RBJR Photography, all you need to do is submit your signed Wedding Agreement and a \$150 deposit. The \$150 secures your day and can be paid in person by cash or check.

The \$150 deposit will come off your final wedding invoice. Your remaining balance is due 1 week before your wedding day. The package prices listed include tax and local travel. There are no additional fees attached to your wedding package.

When filling out your agreement don't worry about little details that you can't put down yet, like times and such, if you haven't done your program timeline. Robert will contact you one week prior to your wedding day to review the timelines, locations, weather and any questions you may have.

Selecting your formals location

Choosing the location of your formals can be a lot of fun. You want to have these done at a location that represents your style and interest. After all THESE images will be the majority of photos placed in frames around your house and shared with your loved ones.

If you need some assistance with choosing the perfect location please contact Athena. An alternative 'dry' area location is always selected for those rainy BC days, just in case!

How much time do I need for formals?

Robert requests 2 hours for formals. This does not include travel time to and from your formals location.

If you have any other questions regarding photography for your big day, please feel free to call Robert at 702-979-0642
