

SARAH LAYNE *Photography*

Romantic, real, individual, spirited, classic. We strive to capture each couples' unique way of loving, and the aspects of each wedding that represent who you are. Weddings are about the relationships created and strengthened, about the traditions followed and formed, and about having the best day of your lives. We'd like to be there to capture that. Authentic, candid, and a little bit of tenderness. Simply put, you.

WE'D LOVE TO MEET YOU

We'd love to meet you. To set up a complimentary consultation, please contact Sarah. We'll meet over coffee, tea, or a drink if you are local to San Diego. A Skype session or phone call also works. If we are a good match and you'd like to book your wedding, a \$1000 non-refundable retainer & signed contract will hold your wedding date. We are also happy to create custom packages based on your needs. Additional hours added a la carte or on the wedding day are \$500/hour. California sales tax is not included.
