

My fee is \$950 for ceremonies Friday, Saturday & Sunday in Los Angeles or Orange counties.

My approach is very different. I don't know any other officiant who does what I do. I insist that you and your fiancé be "hands on" in the creation of your wedding ceremony. You pick the language, style, content and length with my guidance. We begin the process with my Wedding Ceremony Choices that I email to you as a free gift. The Choices are a large collection of ceremony components to help you build your Perfect Wedding Ceremony.

Everything connected to the ceremony is examined including:

1. Family
2. Heritage
3. Traditions
4. Who you are as individuals
5. Logistics of the venue
6. Vendors for the ceremony
7. Music
8. Sound system
9. Bridal party
10. Props (candles, wine, flowers, etc.)
11. Weather (if outdoors)
12. Children (if necessary)
13. Interfaith
14. Special challenges
15. Anything you want or don't want

- I arrive 30 minutes before the scheduled start time of the ceremony.

- Your coordinator is copied on all relevant documents

- Your coordinator will receive, via email, the latest draft of the ceremony in time for your rehearsal.

- We will exchange cell phone #'s for wedding day emergencies.

- I will meet with you as many times as you want, either in person or on the phone.

- My advice is free. Even if you don't hire me, you can always ask questions via email or by phone.

- I will wear whatever you want me to wear, usually a black suit or robe. One couple got married at the river and we all wore shorts. I have no ego attachment to the process. My only goal is that the bride and groom are happy. I want to help you create the best memories possible.

Would you like to schedule a meeting or phone call?

Sincerely,
