Lighting Packages

All of our Uplighting is wireless, battery powered & remote controlled LED lighting effects, and Uplighting, color-washing or a combination of the two lighting effects can be added to your event, as this will greatly enhance the walls and columns or they can be spotted onto a specific area that will bring a beautiful and stimulating feel.

For your Lighting Event, we have a few packages to choose from depending on your venue size and how much you want your event to glow with color.

Basic Lighting Package **\$395**
12 LED Uplights

Premium Lighting Package **\$495**
18 LED Uplights

Platinum Lighting Package **\$595**
24 LED Uplights

Supreme Lighting Package **\$995**
Dance on a Cloud fog effect with 24 LED Uplights, laser lights and innovative intelligent lighting to transform your special day into an ultramodern affair!

Monogram Projection **\$295**
All gobo monogram projection packages include Design Services at no charge. Project your name, date, message, or company logo, or just about anything projected onto the dance floor, on a screen, or up against a wall.

All lighting packages include the following:

- Choice of your accent color(s)
- Wash the walls or use as spot-lighting to accent your wedding cake and centerpieces or under the table accent effect
- One on-site (venue) consultation/planning
- Unlimited phone/e-mail consultations
- No additional charge for delivery, set-up and break-down of equipment

Add-ons and Extras

Lighting Technician with lighting controller to direct lighting changes during your event
