### **Add a Rehearsal: Take the Stress Out of Your Wedding Day!!!**

- You may question whether you need Wendy at your rehearsal. Here is what Kristen Meredith said,

*"Wendy was fantastic. Very knowledgeable, professional, and flexible. I didn't hire a wedding planner and without Wendy our rehearsal and probably our ceremony would not have gone as smoothly as it did. I would recommend her to anyone. Thanks Wendy!"*

- If you would like to take the stress out of your wedding day, for just \$149 you can have Wendy attend your rehearsal, also. Things to take into consideration are:

- Order of wedding party
- Placement of chairs in proximity to the minister so that she can be heard
- Placement of arbor
- Placement of any other props for the ceremony (sand ceremony, wine and love letter box, etc.)

- Microphone type and placement, if needed
- Interfacing with your wedding coordinator, if applicable, so that everyone is on the same page
- Bringing order to the general chaos and confusion that can happen during a wedding rehearsal
- Peace of mind for your wedding day...*priceless!*
