

FULL PLANNING \$2450

— This package is for the couple that is just starting out with their planning and does not know where to start and feels like they need an extra set of hand. We will work with you through the entire planning process, guiding you on selecting your venue, choosing vendors, attend meetings, helping you stick to your budget, and answering any of those questions you will encounter.

PARTIAL PLANNING \$1200

— This package is for the couple that has chosen their venue but needs an extra set of hands to secure vendors, attend meetings. It is so much more than just “day of coordination.” We will provide you with the extra help and support you may need to plan the wedding of your dreams!

DAY OF COORDINATION \$725

— This package is for the couple who already has their wedding planning
