6 HOUR COLLECTION

This is perfect for smaller intimate weddings still wanting most of the day's memories captured forever! For this time frame I typically arrive just before you put on your dress and leave sometime during the reception.

8 HOUR COLLECTION

Sometimes more coverage is needed for those who want detail shots, photos of everyone getting ready or have a special exit from their reception! It makes the day feel more relaxed, not trying to fit everything in a shorter amount of time.

You can always upgrade your collection during the planning process if you think you need more time, a second shooter, etc.
