

Pricing:

Our event rental fee is based on how many hours are scheduled for a client's ceremony and reception, including availability of the facility two hours before the event (for the caterers to arrive and set-up, and any last minute decorating that you would like to have completed) and one hour after the event for cleanup/wrap-up.

Additionally, most clients wish to decorate the facility the day before the reception (stringing things on the beams, bringing the centerpieces for the tables, etc.). If interested please advise how long you would like to utilize the facility for decorating. Are you planning to have your rehearsal dinner at Llantrisant? Also, approximately how many reception guests are you expecting?

After you send us all of the information listed above we would love to forward a personalized proposal to you for your event. Our prices are very competitive and our staff is truly one of a kind.
