WEDDING EXPERIENCE

ENGAGEMENTS:

All wedding clients, have the opportunity to have their engagement shoot done by me for no extra charge! This is a great way for us to work together before your wedding day. You choose the location, session usually last about an hour, and you can plan for as many outfit changes as you like. I love to travel to you for engagement sessions and up to 60 miles of travel is included.

PAYMENTS:

I accept cash, credit, and checks. All sales are subject to 5% WI Sales Tax. One half of your balance is required to reserve your date. The final payment is due 10 days before your wedding.

DIGITAL FILES:

I average 75-100 images per hour when shooting a wedding. All images are first delivered through an online gallery that can be easily shared with friends and family. Professional prints can also be ordered through this gallery if desired. One USB will be sent to the bride and groom after the digital wedding gallery is available. Expect to receive your files 4-6 weeks after the wedding.

BOOKING:

If we decide that we are a good fit for each other, I will send you a 'Wedding Day Photography Client Service Contract'. Once you fill this out, send it back to me, along with your 50% reservation payment - you are all set!
