

The standard cost for Joyful Unions services are as follows:

Video Consultations: Free!

- I do my best to keep meetings virtual whenever possible. This keeps driving time and fuel costs down for everyone involved.

- I write all ceremonies based on information received from you, so we can have as many virtual meetings as needed to get the ceremony exactly as you want it.

Standard Ceremony (3 hour block): \$300.00

- I never book more than 1 ceremony in a day, so you will not have to worry about any conflicts. Unless we agree upon something different, I will arrive an hour before the start time of your ceremony.

Rehearsal Ceremony (3 hour block) (optional): \$75.00

- I never book more than 1 rehearsal ceremony in a day, so you will not have to worry about any conflicts.

Delivery of Certificate to clerk's office (optional): \$40.00

- This is an optional service that I offer. It saves you from having to mail your marriage certificate in or bring it in yourselves. Also, if there are any issues with the witness signatures, I (as the officiant) have the ability to get the certificate fixed for you without having to call anyone else in.

I do my absolute best to keep my prices low (I know weddings can get pricey), so there are only a few situations where there would be any additional fees:

- 1) If you need me to drive to the wedding venue for anything other than the Ceremony or the Rehearsal (Optional), then there will be an additional charge for gas. This will be discussed and agreed upon in advance if this situation comes up.
- 2) If there are any specific articles of clothing you request that I wear (specific color, style, etc.) that I do not already own, there may be an additional fee. This will be discussed and agreed upon in advance if this situation comes up.
- 3) If there are any other non-standard costs that are unique to your ceremony, we can discuss them to see if any other fees are necessary.
