Additional Services

Add one or more of the following to any of the above packages to further enhance your event:

Uplighting

Starting at \$500

Add uplighting to color one or all of the walls in your room or rooms to match your theme. Always an elegant touch (price varies per square foot).

Hosting Services

Starting at \$350

Each package includes at least one of our incredibly talented DJs. Add additional staff members such as an MC to propel your event to the next level (price varies depending on services).

Party Favors

Starting at \$250

Depending on your theme, Blackrock Sound provides prizes, fun games, and giveaways (prices vary depending on items).

Concierge Service

Starting at \$300

Need drinks and don't want to wait at the bar? Need food and don't want to hunt for the waiter? Need us to tell Uncle Ed to stop arguing with the chef? We will be happy to do it for you (prices vary depending on services).

Smoke/Haze & Lasers

Starting at \$250

Adding smoke/haze and lasers gives that true club-like atmosphere. Smoke and haze allows each effect light beam to be visible just like a live arena performance. Bring the club to any event (price varies depending on service).

Moving Head Lights

Starting at \$300

Add moving head lights to color and enhance the ambiance, the vip room, and the dancefloor experience. These lights make you feel like you're anywhere from a calming lounge to a Vegas nightclub. Guests are always impressed (price varies depending on services).

Wedding Ceremony Services

Starting at \$500

We can provide an additional sound system and custom music for your wedding ceremony. We also can provide microphones for the participants (prices vary depending on services).

***Need more time to dance the night away?**

We got you:

Simply add \$65 for an additional 30 minutes to any package up to one week before your event, or \$80 per half hour the week of, or day of your event (other add-ons such as ceremony services are not included. See "Wedding Ceremony Services" above for pricing).
