Note: Tax and gratuity extra. California sales tax is added at a rate of 8% of the total amount. Recommended 5% gratuity. Cost of staffing is included in price listed. Wait staff and culinary staff will be hired as needed at a rate of \$25.00 per hour per staff member. For a party of 100 guests, assume \$500 in staffing costs.

Note: Prices are estimates, and will vary by event. Cost of rentals is calculated on a case by case basis and will depend on factors such as: your event needs, equipment provided on-site by your venue, distance from rental warehouse, time of delivery and pickup, etc. Cost of basic rentals is included in price per guest. Basic rental supplies include: chafing dishes and buffet utensils, beverage dispensers, covered trash cans, and serving platters.

Additional rentals can be provided on request, but are not included in the listed price per person. These supplies may include: buffet tables, dining tables, chairs, tents, lines, silverware, glassware and flatware. We recommend that you contact the rental supplier of your choice and arrange for delivery directly through the supplier. This option allows for the best selection and avoids any additional charges that we would have to pass on to you.
