

As a photojournalist with 15 years wedding experience, I am your personal paparazzi. Capturing moments of joy: From the butterflies felt in anticipation of a first look to the pride in your parents' eyes before they give you away. It is my greatest honor to know my wedding day story and I would love to tell yours!

Select the wedding-day events of your choice and time frames as our guide. Include a list of special shots that can't be missed and bridal / family portraits you have in mind.
