

European Ensemble Strings pricing information in the Dallas area

We can give you a general idea about our pricing, but the firm prices will be given after we know precisely the date, time, location of your wedding, how many musicians do you need and how long you need us. We gladly travel for out of town weddings but some additional travel fees will be added to our base price.

Weekdays and off prime time weddings are less more budget-friendly than for example a Saturday 6pm wedding.

Ceremony only Duet: \$400-500
Ceremony only Trio: \$550-\$650
Ceremony only Quartet: \$700-800

Royal Package (ceremony plus cocktail hour 2 hours total) :

Duet: \$500-650
Trio: \$700-850
Quartet: \$900-1100

Please provide us the details of your wedding (see above) and your plan regarding the music and we will be happy to provide you accurate pricing information.

We will require about 40-50% reservation fee when you sign the agreement with us. The remaining balance will be due 3 weeks prior to the wedding along with our specific "music selection sheet" that we will send you along with the contract.

It is also available as a PDF file for download from our website here: <https://weddingmusicdallas.com/audio/>

Please check us out and our music and if you like what you see please reach out to us today. We will be happy to answer to any questions you may have.

Thank you!

European Ensemble Strings Team

What can you expect if you hire us for your wedding ceremony?

the dots represents what we do; the check marks show a smart checklist for you 😊

- We will arrive about 50 minutes before your scheduled ceremony start time for setup
 - ✓ please setup one regular height arm-less chair per musician at the desired location (semi-circle) where you wish us to sit. Allocate about a 4 ft circle per musician.
 - ✓ for outdoor performances, please provide shade in hot summer months and heat in winter, as per the contract.
 - ✓ before we start the prelude music, it would be nice to have a word with your coordinator or the person in charge to work out the cues.
- We will play 20-30 minutes of prelude music to greet your guests and create a lovely atmosphere (20 minutes for outdoor ceremonies or 30 minutes for indoor ceremonies)
 - ✓ if the parents and the bridal party are ready to walk in, we will need a “thumbs up” signal so we know it is time to start the first processional song. Hopefully, you provided us an accurate “songlist form” that was included with the contract document. If you did, we will know when to play the rest of the ceremony songs, so your coordinator can focus solely on You. (our songlist form is also available as a PDF on our website under our music sample page)
 - ✓ if possible, please position us in a way where we are able to see the participants walking down the aisle.
 - ✓ let us fade out or finish the previous song and give us the chance to start the new song before the next set of people walk down the aisle to assure perfect flow. “Look for the few seconds of silence between songs” as a cue that it is about your turn to walk.
- We will play as many songs you wish during the ceremony, just let us know exactly when and what is happening while we are playing - is there any action during the song(s) or just silence?
- We have 600+ songs to choose from: contemporary, traditional, classical, movie soundtrack, video game music, and we take special requests anytime for an agreed fee
 - ✓ if you commission us to perform a string arrangement of a special song, that is meaningful for you, we will need at least a week’s advanced notice. We are very good at accompanying vocalists but sometimes they require us to change our music to match with theirs. We need to work out the logistics for this ahead of time.
 - ✓ we play as the bridal party and the guests are walking out. We are very quick with the location change within the venue or even if we have to go to a second location – and we will start playing immediately the fun, upbeat contemporary tunes that everybody loves if you hired us for the cocktail hour as well.

Payment balance and songlist is due at least 15 days before your wedding.

We take Zelle pay (free), paypal (+ their fee, about 3.5%) and company or personal check

- ✓ Call, text, or email anytime 24/7 with any questions you may have. Do not hesitate.

Thank you for your confidence in us. We will earn your trust. See you on your wedding day!
