+ Testimonials +

“We cannot recommend Barbee enough! She is creative and a lot of fun to work with, and worked with us to take the kind of pictures we were hoping for. She captured so many beautiful and unexpected moments, giving us images we will treasure forever.”

—Margaret & Nick

“My fiancé Marc and I are from New Jersey, but we knew we wanted our engagement photos taken in Burlington, VT which has become a frequent getaway for us. After researching some local photographers, I found Owl’s Iris and fell in love with the level of honesty each photo had represented. I would recommend Owl’s Iris Photography ten times over, especially if you’re looking for a photographer who is really invested in their work and goes the extra mile to provide the best photos possible. Thanks so much, Barbee!”

—Gina and Marc

“We received top quality wedding photos that we’ll cherish forever. Barbee provided us with great direction and made posed photos seem natural. She listened to our wants/needs and added her own creativity - something she has a lot of! She was amazing at getting our families into and out of group shots quickly and without fuss. Wonderful experience!”

—Cindy & Chris
