Wedding Envelope Calligraphy FAQ

WHAT IS INCLUDED IN ENVELOPE CALLIGRAPHY PRICING?

Envelope calligraphy is priced per envelope and includes the guest names and two address lines. Additional lines may increase the price per envelope. When you start chatting about your wedding details I will provide you with a custom quote so there are no surprises. Note: Envelope calligraphy does not include the cost of the envelopes but if you need help ordering envelopes, I'm happy to assist with that!

WHAT COLORS CAN I CHOOSE FROM FOR MY ENVELOPE CALLIGRAPHY?

I always keep black and gold ink on hand, but I'm happy to work with you to customize the color of your ink to better match your stationery! The only additional cost to do this would be the cost of the ink.

ENVELOPE CALLIGRAPHY IS EXPENSIVE. HOW CAN I AFFORD TO HAVE IT ON MY ENVELOPES?

A lot of the couples that I work with prioritize the personal appeal of envelope calligraphy over a custom invitation suite. By ordering an envelope suite from places liked Minted, Vistaprint, Zola, etc. you can actually save a lot of money there and use that money towards your envelope calligraphy instead, which can make the invitation suite feel custom even when it's not! And if ultimately, envelope calligraphy doesn't fit in your budget, there are so many ways to incorporate calligraphy into your special day. Email me at mabellecalligraphy@gmail.com to chat!

WHAT CALLIGRAPHY STYLES DO YOU OFFER?

One of my favorite parts of limiting the number of couples I take on for weddings is that I can truly take the time to customize my lettering layout and style to best match your invitation suite. So if you want something a bit more modern and playful, we can go a little bigger. If you want something more classic, we can keep things simple. If you want to add a little boldness we can throw in some letter capitalization. That being said, all of these "styles" are plays on my basic lettering style which you can see featured in on my website. If these images are not speaking to you then I may not be the calligrapher for you and know that that's totally ok too! :)

IN WHAT FORMAT DO I NEED TO PROVIDE MY ADDRESSES TO YOU?

If we end up working together, I'll walk you through this process, but if you're eager to get started, here's a basic downloadable template you can use. If you already have your addresses in a spreadsheet, feel free to send that to me and I can let you know if there are any tweaks or questions I might have!

HOW FAR IN ADVANCE DO I NEED TO CONTACT YOU TO HAVE YOU LETTER MY ENVELOPES?

Sooner is always better :) I do limit the number of wedding orders I take on as I work full time in addition to doing calligraphy. That being said, I can generally turn a 100 envelope order around in 1-2 weeks.

Where do we go from here?
