THIS IS THE DAY

event planning and design

bio

At THIS IS THE DAY we believe that every day is a gift from God and is to be celebrated. Whether it's an intimate dinner for two, or the day two become one – we are here to listen to your vision and dreams for your special day, customize a detailed plan based on your budget, and execute a seamless and lovingly curated event for you and your loved ones to enjoy and cherish for years to come.

We are excited about serving you!

PACKAGES

design

Our design services are perfect for the client who has already selected their venue which may also have an onsite planner, but is looking for signature design services for their wedding or event. Our design process begins with a meeting to discuss your event, inspirations, dreams and wish list; an onsite walk-through of your venue to gather additional details, followed by a fully curated design proposal including visual inspiration, and layout. We will hand select and manage your complete design team including florals, rentals, linens, invitation options, lighting and any other design related vendors. We create signature events that are elegantly tailored to our clients.

Investment: Starting at \$2,500

month of +design

Our Month of +Design package offers design and planning services. In addition to our design services, we offer month of event management which will include detailed timelines of your event production, ceremony rehearsal; including creation of your processional and recessional flow, day of ceremony management, as well as set up and breakdown to ensure that you are able to relax and enjoy your family and friends.

Investment: Starting at \$3,500

full service planning & design

From visioning to manifestation, our full service package is the pièce de résistance of event production services. The journey commences with a location scouting trip, complete artistic vision & wedding/event styling design, sourcing & management of all wedding/event vendors, contract review, detailed budget management, and all items included in the Month of +Design package.

Investment: Starting at \$4,500
