frequently asked questions

YOU HAVE QUESTIONS. I HAVE ANSWERS.

Q: What sets you apart from other photographers?

A: I take all of my photos in intimate, relaxed settings and try to use natural lighting as often as possible. my sessions are candid & fun!

Q: Will we get the print release to our photos after our wedding?

A: yes! upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: most of my wedding collections come with one photographer, although you can always add on a second photographer for an additional cost.

Q: Will we get featured in a magazine or blog?

A: although many of my sessions do get featured, this is not something that is guaranteed. most publishers are interested in colorful, uniquely designed weddings!

Q: Do you photograph elopements?

A: of course! depending on availability and the number of hours you have set aside for photography, we have special rates for weekday weddings and elopements.

have another question?

SEND ME A MESSAGE! I AM HAPPY TO HELP!

Q: We're having a destination wedding. Do you travel?

A: yes! I love destination weddings and have been lucky enough to travel all over the world shooting weddings. send me more information on your travel plans, and I will create a custom wedding collection to suit your needs.

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through my professional vendors, but it is not required. the difference in quality is huge when it comes to ordering through a professional lab, so I encourage clients to let me help with prints!

Q: What equipment do you use?

A: I use all of the latest nikon equipment. I always carry the D750, 35 mm lens, 50 mm lens, & the 85 mm lens, among other items. all my cameras and lenses have a backup in the rare event that anything should happen to one of our pieces.

Q: Are the couples on your site models?

A: haha! while I am lucky enough to work with gorgeous couples, the images shown on my site are of regular, paying clients.

Q: How do we reserve our wedding date?

A: a 30% deposit and signed contract is required in order to get your wedding day on the calendar. two weeks prior to your wedding, the remainder of the balance is due.

what to expect

GET THE MOST OUT OF YOUR PHOTO SESSIONS

location

add more personality to your photos by choosing the location of your session! whether it's the local coffee shop or a local park where you first met your soon-to-be spouse, let us know if there is a place that is sentimental to you!

payment

a 50% non-refundable deposit is required in order to secure your session. the remaining 50% of your balance is due two weeks prior to your session.

scheduling

sessions are scheduled 4-6 months in advance. cancellations and reschedules must be made via email or phone at least 48 hours prior to your session. deposits are non-refundable.

what to wear

wear something that makes you feel comfortable and confident! patterns, bold colors, and accessories photograph really well. feel free to get creative with your wardrobe!

STYLE TIP:

While it is great to complement your future spouse in photos, by no means do the two of you need to wear matching outfits.

If your other half is more comfortable in solid colors, try choosing something with a little texture. Patterns are a great way to add contrast to your images. Be creative, and let your unique personality shine through!

wedding day tips

gather all your details before the day starts so i can photograph them quickly! this makes the getting-ready portion of the day go by much more smoothly, and it allows me to spend more time focusing on the spontaneous moments when everyone is together.

here is a list of ideas: ring, jewelry, hair pieces, flowers, shoes, socks, cuff links, socks, letters, pictures, gifts, cultural items, invitations, programs, printed pieces, and any unique items you treasure!

LITTLE DETAILS COUNT

some of our couples' favorite images from their wedding day end up being the detail shots that are taken throughout the day. details help tie everything together and tell the story of behind-the-scenes moments.

Think about getting a wooden hanger for your dress. They photograph well and are great keepsakes for years to come.

REMEMBER TO RELAX AND ENJOY THE DAY!

"She made us feel so comfortable and we had so much fun. You could tell how much fun we had in our pictures because we couldn't stop smiling and laughing."
