*additional sizes available for all prints

FAQS

HOW DO I BOOK YOU?

A \$500 non-refundable retainer and a signed contract is required to save your date. Once I have those, you are officially part of the family!

ARE YOUR PACKAGES CUSTOMIZABLE?

Yes! If there is any particular combination that you don't see listed, please let me know and we can put together the perfect collection for your day!

DO YOU TAKE PAYMENT INSTALMENTS?

Yes! We can work out a pyment schefule to make sure you're able to pay for the photos. Payment plans usually consist of 3 payments, with the last due one month before your wedding day.

HOW LONG DOES IT TAKE TO GET MY PICTURES?

You will always receive your pictures within five to six weeks after your wedding day. During the busy season, I sometimes get backlogged, but I always do my best to have all the digital negatives to you within the time frame.

HOW MANY PHOTOS WILL I RECEIVE?

Each wedding is unique, depending on how long I am photographing and the different styles of weddings. Typically I capture about 50-100 images per hour. A final 100-200 images will be edited. All images, unedited will also be given to you on a seperate disk.
