

## About us

Montclair Studio was established to bring the work of today's finest wedding photographers and cinematographers to today's stylish brides and grooms. As some of the nation's premier boutique artists, the Montclair Studio professionals have displayed the personal service, visionary style, and digital artistry expected as masters of the wedding medium and the Montclair Studio standard. Inclusion on the Montclair Studio team is by invitation only.

The Montclair Studio experience includes a personal assistant to advise you through the planning process and one-on-one consultation with the master photographer of your choice. Consistent with the Montclair Studio brand, you will receive your own Signature Collection - a refined and vibrant visual chronicle of your special day.

Montclair Studio is for those couples that leave nothing to chance.

## Quality guarantee

A remarkable peace of mind! Montclair Studio has the highest standards of photography and cinematography in the Northern NJ area. It starts with our amazing team of photographers, cinematographers, editors and designers and goes all the way into the standard of quality that we implement into every single one of our products. It starts with critical review and recruitment of the nation's top photographers and videographers and inclusion in Montclair Studio is by invitation only. The day of the wedding your Montclair Studio staff is supported by the entire Montclair Studio organization with back up equipment and professionals on call 24/7. After the wedding, our entire team we will work tirelessly to ensure your final product meets and exceeds your expectations. If something does not meet our standards our in-house design team will work to make it right. We guarantee the experience, service and product for every Bride.
