# What To Expect

You probably haven't hired a professional photographer before. So, what exactly can you expect during this process? Here is a basic rundown of what your experience could look like with Lovejoy Images.

## Booking

You've decided to take the plunge and secure your booking. That's awesome! Let's get that wedding date secured. All we'll need to do is accept your customized pricing quote and e-sign a contract. That's it! Told you it was easy!!

Once your contract is signed a booking confirmation email will be sent and you can check Photographer off your to-do list.

## Engagement

Engagement sessions can be added to any package and are a fantastic way to get to know each other and makes for some beautiful wedding invitations. Before your portrait session, we will work together and brainstorm ways to create something custom and gorgeous. Multiple outfit changes and locations are allowed and encouraged and outside is preferred but not required. Sometimes an engagement session can be intimidating or embarrassing, but I will be here to ease your worries with tips to make it a fun experience. I'm super awkward myself so don't worry if you're shy. After your session, a few choice "sneak peeks" will be shared a.s.a.p & your Engagement gallery delivered within 2 weeks!

## Wedding Planning

I have a few years of knowledge to share for a better wedding planning experience. Between your engagement session, if you get one, & wedding day, we will touch base and discuss some amazing tips & tricks on how to maximize your time with me and ensure that things run smoothly. If you have questions, I am available 24/7 to assist in any way possible. A month before the wedding, I will reach out to discuss our options and inquire about a vendor list. A vendor list helps ensure your wedding day has rock-solid communication.

## Wedding Day

Your wedding day is here and I am pumped! I hope by this time I am no longer just your "photographer" but a trusted friend because I've got your back. I like to arrive 30 minutes early to touch base with my brides and vendors & to check out the lighting. Throughout the day, I like to provide prompts to help make the candid moments look natural, honest and beautiful but sometimes quiet observation yields the best moments.

*Let's chat about more details.*

You can add hours or extra Portraits or even a Boudoir session. If there's something specific you are looking for, don't hesitate to ask! I try to work with each couple as much as possible to provide them with the best wedding day coverage for their vision. Remember it's less about me and more about you.

# Questions

## 1. WHY SHOULD WE HIRE YOU TO BE OUR PHOTOGRAPHER?

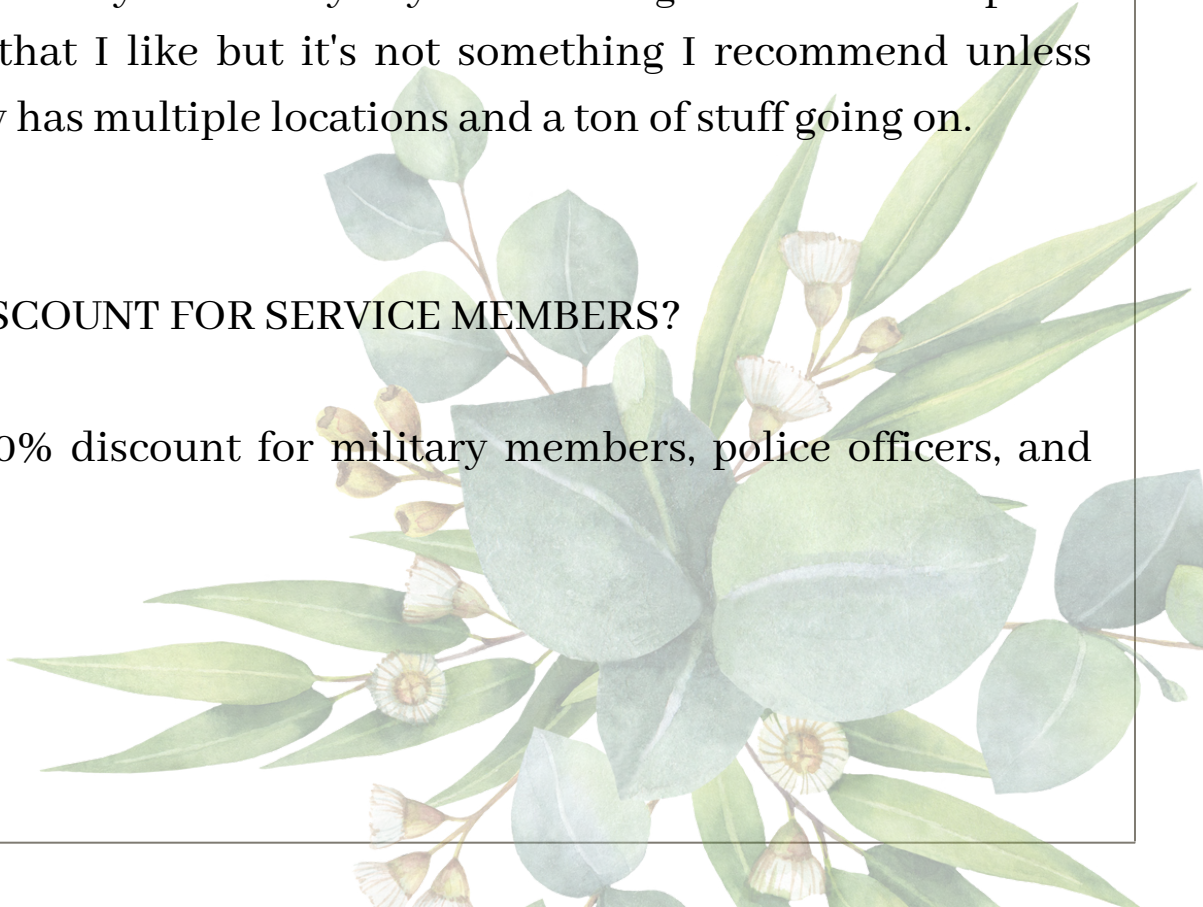

With a genuine & authentic experience, I always treat my couples like family! Throughout the entire process, I am there to assist you with timeline guidance and photo suggestions. My experience can help with more than just pictures, but the inside tricks to have a perfect photogenic Day!

## 2. DO YOU WORK WITH A SECOND PHOTOGRAPHER?

Yes but, I only work with a second shooter that I hire personally. It is very difficult to hire a separate photographer that I have never met and expect them to work seamlessly on the day of your wedding. I do have a couple of second shooters that I like but it's not something I recommend unless your wedding day has multiple locations and a ton of stuff going on.

## 3. IS THERE A DISCOUNT FOR SERVICE MEMBERS?

YES!!! I offer a 20% discount for military members, police officers, and firefighters.

#### 4. DO YOU PROVIDE VIDEO SERVICE?

No, that is not my specialty. However, I do have a preferred vendor list that could help you find a videographer you will love.

#### 5. WHEN CAN WE EXPECT OUR PHOTOS RETURNED TO US?

Your online gallery should be available within 2 weeks but expect 3-4 weeks during peak wedding season

#### 6. WHEN CAN WE EXPECT OUR PRINT PRODUCTS?

Prints can be ordered directly from your gallery and delivered to your door within 2 weeks, depending on the season.

#### 7. WHEN CAN WE EXPECT OUR WEDDING ALBUM?

On average, you would receive your album any time between 1-2 months after your wedding date. Depends on the number of adjustments to the final album

## 8. DO YOU OFFER A VARIETY OF CANDID & POSED PICTURES?

Of course! Your final gallery will be filled with a mixture of poses and natural shots. During your session/wedding, I will be there to help guide you in order to capture the most authentic photos to who you two are as a couple!

## 9. ARE PETS ALLOWED IN THE SESSION?

Totally! animals are always welcomed!

## 10. WHAT ARE WE ALLOWED TO DO WITH OUR DIGITAL FILES?

All images are yours to do with as you please. While I maintain creative copyright on the images, I hold no rights to print.

This allows you to enjoy your photos however you want! You are more than welcome to add them to your social media & print them where you desire. However, you can not alter them or use the images beyond personal use.

## 11. CAN YOU HOLD A WEDDING DATE FOR US?

All bookings are first come/ first serve. To keep it fair, I cannot hold a date without a signed session contract along with my optional deposit.

## 12. WHAT IS YOUR PAYMENT SCHEDULE FOR A WEDDING?

When officially booking your wedding date, you'll be presented with an invoice with an optional deposit payment. Your remaining balance can be paid at your convenience but is really "due" the day after the wedding date. I typically wait to ask for full payment to be made once I've stored your images on my hard drive system at home.

*Monthly payments can be available.*

### 13. WHEN SHOULD WE BOOK YOU FOR OUR WEDDING?

As soon as possible! Popular calendar dates tend to book up fast.

### 14. IF WE WERE RUNNING LATE ON OUR WEDDING DAY, WILL YOU STAY PAST YOUR TIME?

Yes! I do understand that wedding day are crazy so I don't mind being flexible. I do have to charge extra time after at a certain point. Please drop me an email, and let's chat!

### 15. DO WE NEED TO FEED YOU AT THE WEDDING?

It is not a requirement, but would be wonderful if you did!

### 16. CAN GUESTS FROM THE WEDDING TAKE PICTURES WITH THEIR CAMERAS AND PHONE CAMERA?

Absolutely! They will want to remember your wedding day and to be a part of the moment! That is how many guests connect at the ceremony. However, I do ask that I be the only hired professional photographer there and any second shooter is hired by me. However, should you have a budding photographer in the family that would like to cut their teeth shooting a wedding, then I could totally mentor. Oh and I do not mind working with videographers of your choice or drone photographers.

Please reach out if you have any questions & let's schedule a consultation!

Brandon was the absolute best! He was efficient and super fun to work with and he completely blended in during our wedding day (so many lovely candid photos!). He is so incredibly talented, our pictures are ASTOUNDING. I would absolutely recommend him to anyone looking for a photographer.

*Emily & Noha*

So many beautiful candid moments that captured lovely memories. I tend to feel pretty awkward posing for pictures, but he made it much easier. Absolutely would recommend booking him for your event!
