# Frequently Asked Questions

## Are we required to use the Beck for catering?

No, we have a comprehensive menu but you are free to choose your own cater. We prefer that your caterer is licensed and insured, if not we require a waiver to be signed.

## Is parking provided?

Yes, we have our own private lot across the street and there is ample public parking as well.

## You offer a DJ Service, do we have to use them?

You are free to choose your own DJ, but only Productions KC is allowed to use the house sound system. Live bands are welcome but must bring their own sound equipment.

## Can we stop by anytime or do we need to make an appointment?

We meet clients by appointment only. We are available for daytime, evening and weekend appointments. The venue is closed for appointments during events.

## Can we bring in our own alcohol?

Because we hold the liquor license and are responsible for all alcohol consumed at our venue you are required to purchase beverage services through us. No outside alcohol is allowed!

## Can I pay with a credit card.

Yes, but there will be a 3% convenience fee on all charges except for the first \$1,000 booking payment.

## Is Security required?

No, but if you feel you need security *inside* the venue during your event please, for the love of God, seek another venue. ;-)

## Do you allow real candles and sparkler exits?

Candles that are contained are allowed, no lit tapers please. Sparkler exits are allowed outside the building.

## Can we expand our event time?

Yes, additional hours can be purchased for \$200 per hour. *This does not* include additional bar time, which can be extended for a fee based on the beverage package. In addition, each venue package has a set number of hours and sometimes it is a better value to upgrade the package vs. adding more hours.

## What do we need to do to book a date and do you take payments?

A signed contract & a \$1,000 first payment. A second payment of \$1,000 is due 90 days later. The balance of the venue rental is due six months prior to the event. Beverage packages are due 14 days prior to the event.

## What is your cancellation policy?

Your first payment of \$1,000 is non-refundable, any payments made after the first payment may be refundable if we can re-book the date at regular price. Your contract is for a specific date and a change of date is considered a cancellation of the original contract. See contract for official details. 50% of alcohol sales are non-refundable.

## What is the clean up policy?

One additional hour is included at not charge for end of night clean up. You, your caterer or coordinator are responsible for removing all items, including decor and linens, from the tables. Once everything is removed, chairs need to be placed on top of the tables. We take care of the rest!

# Love Letters

☞ “My husband and I cannot say enough good things about The Beck! From the very first walk-through with Scott to the moment we left our reception this past Saturday, everything went so smoothly. We’re from the KC Northland, and after touring several venues in the River Market and Crossroads areas that seemed too small, we drove the 45 minutes out to The Beck and were sold almost immediately. We loved the exposed brick and interesting light fixtures that give it that industrial/loft-type vibe and that it had the space that was lacking in a lot of the other venues. Another selling point for future brides? The Beck has the most gorgeous bridal suite! My girls and I had so much fun hanging out and getting ready in there, and there was more than enough space for us to do hair and makeup for everyone, all at once. We got so many compliments from all of our wedding guests and working with Scott was so easy and stress free. If you’re looking for a great indoor wedding venue, make the drive out to Harrisonville. You will not be disappointed in The Beck!”

-Katie {bride}

☞ “My husband and I held our wedding at the Beck Event Space on August 12th, we could not have asked for a better venue or a more perfect night! From the time we signed the contract, to the date of the wedding, everything went off without a hitch, including a last minute change of date that moved our event up four months! Scott Beck was great to work with and made sure that we had everything in line for our big day, including emails to check in and even helping us track down a couple of last minute decor items like table clothes the week of the wedding. All of our guests raved all night about how beautiful and perfect the venue was. When we signed out contract the venue was in the final stages of construction and we could not be more happy about the final outcome. I would recommend the Beck to anyone looking for a place to have their ceremony and/or reception.”

-Jesse {bride}

☞ “We got married at The Beck in June and had the most amazing experience. We did both our ceremony and reception there and everything went without a hitch! I can’t say enough good things about Scott and the rest of the staff! Scott was absolutely fantastic to work with. He was so helpful throughout the entire process even when we changed our minds a couple times on floor plan. He has great ideas and understanding of how the whole wedding planning process goes and was very organized! I was able to easily get a hold of him whenever I had questions. The space is stunning and we got so many compliments from our guests! We really loved our entire experience and are so sad it’s over! Highly recommend!! You will not be disappointed.”

☞ “The Beck was the absolute best choice for our wedding! The prices are great compared to other venues and the owners are phenomenal to work with! One of the things that helped make our wedding day our dream was the beautiful history and design of this event space. Multiple people who attended our wedding has raved about how beautiful the event space was! Thank you Beck Event Space!”

-Levi {groom}

☞ “I can’t brag about this space or Jill enough. She was wonderful and showed the space to family members that wanted a tour and worked out all the details of the day with my coordinator. This is a hidden gem and all of my guests complimented how gorgeous the space was. The prices were reasonable and I couldn’t imagine picking anywhere else!”

-Madysson {bride}

☞ “I loved the Beck Event Space. It is the perfect location and space for everything from baby or bridal showers to weddings or work events! We had the biggest party of our life. Our family still raves about how beautiful the wedding is as and how it was such a fun atmosphere. Jill and Scott were also amazing. They went above and beyond to make sure our special day was the best, Scott even took some photos of his own that turned out to be some of my favorite photos of our day! I highly recommended the Beck Event Space for all of your endeavors.”

-Alyssa {bride}

☞ “The Beck was such an amazing venue! The staff are so knowledgeable and easy to work with. All of my family and guests were blown away by how beautiful the space was! I was nervous about my large guest count, but they were able to offer creative ideas to accommodate all of my needs and ideas. I would definitely recommend The Beck!”

-Laura {bride}

☞ “Welcoming, warm, open, and truly beautiful. We used the upstairs for our rehearsal dinner, the getting ready space for the ladies during the day, and had the ceremony and reception the same space. We absolutely maximized our time at the Beck and used it for nearly all of our wedding needs. Jill is very friendly. Scott worked with our coordinator and made our day go smoothly. Scott is very detail oriented and always had guiding questions for us when conferencing. In pictures, the venue really shines. We could not be happier with our choice of venue. Simple, clean and perfect”
