PHOTOGRAPHY

Hello, I'm Kaci Lou

Congratulations on your engagement! I am so excited for you to be getting married!!!

It is so important to me that you find the right photographer for you. 5, 10, 50 years from now photos will be all you have left to look back on your wedding.

Plus, your wedding photographer will be with you more than anyone else on your wedding day. Make sure you love their personality as well as their photos!

I'm a wedding photographer based out of Utah. When I am not photographing weddings I am exploring with my golden retriever, watching Parks n Rec, eating Cafe Rio, playing with my 2 kids, swimming, on a road trip, or cuddling with my husband.
