Wedding Services/Packages Offered

Package 1 – Fully Customized Wedding Ceremony (\$255.00)

This is my most popular package. It is a fully customized ceremony for a more formal wedding. Together, we will personalize every step of your ceremony. You will have access to all my beautiful options for your ceremony. We can include Readings, Prayers, Blessings and Unity Ceremonies. Anything you want for your ceremony we will do. The sky's the limit. Your ceremony can be Religious, Non-Religious or Spiritual. Whatever fits your personality.

Package 2 – Basic "Civil" Ceremony (\$175.00)

You will have the option of choosing one (1) out of the eight (8) beautiful Basic Ceremonies I offer. This is a simple, less formal ceremony with no added options. This ceremony is a simple vow exchange like a ceremony you'd find at a courthouse (but so much nicer). If you're looking for a simple, to the point ceremony, then this is perfect for you.

Rehearsal (\$85.00)

If you would like me to attend and run your rehearsal then I am happy to be there for you! I will go over with you and your wedding party all the ceremony actions for your special day. I will make sure everyone is comfortable with their part in the ceremony.

Additional Ceremonies (For Package 1 ONLY)

If you choose Package 1 for your option, I offer my couple, at no additional charge, the choice to add on Readings, Prayers, Blessings as well as any of our beautiful Unity Ceremonies. If you are interested in any of these please ask me for a list of the different options I have. Unity Ceremonies are a wonderful way to not only unite the couple in marriage but to blend families together and have their children be a part of your ceremony.

At home marriage Preparation Course (\$25.00)

Couples who complete 4 hours of a marriage preparation course from approved providers within one year of their marriage date can receive a notarized completion certificate from the course provider which allows them an exemption of a \$60 fee on the Tennessee marriage license. The usual fee for a Tennessee marriage license is approximately \$100 – it varies slightly by county. With the completion certificate in hand when you go to the clerk's office, the license will cost you about \$40. If you would like further official governmental information, visit most any TN county clerk's website, like this one. As a minister, I am approved to offer a marriage preparation course and the completion certificate.

All Ceremonies include the following service:

- In person consultation to answer questions and discuss your "vision" and to show you all the beautiful options I have for your Wedding Ceremony. We will meet at a place that is mutually agreed upon. It is important to me that you are comfortable and are assured you made the best decision in hiring me to officiate your Wedding Ceremony. The day of your ceremony I want you to feel as if a friend is marrying you and not some stranger you met online. If distance is a problem where we cannot meet face to face then we can Facetime or Skype.
- I will file your license, by certified, registered mail, with the corresponding clerk's office and make sure you have the appropriate copies.
- All travel to the location of your Ceremony and Rehearsal is included with my quote.
- Unlimited email & telephone support. I am here for my couples 24/7 with whatever questions or problems you may have. With my past experience in Party/Wedding Planning I can help my couples in a multitude of ways.
- Your Wedding Ceremony will be emailed to you to be approved before your date. There are no surprises the day of your Wedding. If you are having a personalized ceremony then once I have all your information, I will email you a rough draft for review and we will go back and forth, tweaking it, to make it perfect. If you're having a Basic Ceremony then you will have the choice of 4 options to choose from. There is no customizing the Basic Ceremony besides adding your names.
- With either Ceremony option you choose, I will create a beautiful Keepsake copy for you.
- With either Ceremony option you choose I remain committed to exceeding your expectations!!
