### Wonderful experience

Frank was amazing. He was so personable to our guests and was very professional during the event. He was engaging with our guests and always made sure that the dance floor was full. He did a great job working with our other vendors to make sure that everything went smoothly that day. The website was very organized and he played the songs that we wanted him to play and he was also open to suggestions made by our guests. Wonderful experience! We will recommend him to anybody who needs a DJ in the future.

VICTORIA

We had Mike Pitti DJ for our wedding and we absolutely loved him. He was an awesome MC and DJ all wrapped in one. Our guests gave rave reviews of how fun our wedding was and we attribute it largely to Mike and his energy. Sound Sensation is an awesome company with great people.

NATASHA

My wife and I discovered Sound Sensation after much research. We had a chance to meet with our DJ at the Skippack office and cover all aspects of our wedding-- we mapped out the entire night and worked on everything to make our wedding's A/V experience nothing less than perfect. We had met Frank, the owner, and a couple other DJs during our time at the office and everyone was a joy to talk to and work with. We would absolutely recommend Sound Sensation to anyone looking for a reception DJ. They really know their stuff and are a pleasure to work along-side.

STEVE

If I had to rate my experience with the Sound Sensation DJs, specifically Amber, on a scale of 1 to 10 she'd get a 15! She got everything together and ready before my husband and I arrived at the event. She was absolutely amazing throughout the whole night. She played all the songs I had requested her to play. She took requests from the guests at the event. She even got out on the floor to dance with the guests. She did that while running up and down a large set of stairs to her DJ booth. I did not have one guest that said she was just okay. ALL of them said she rocked! She is definitely a wonderful DJ and you can tell she loves her work.

### THE BEST DJ service out there!

Frank and Amber were great. They were punctual, friendly, accommodating, pumped the crowd up. Overall outstanding job! Their photo booth was great and I loved the book they put together for this. Frank is also really good at reading the crowd and knows how to switch it up. Couldn't have asked for better!

FELICIA

**Where to start.** Our wedding was March 16, 2019 and Frank Raffa was our DJ. We danced on a cloud and had a Photo Booth. Frank and his whole crew were absolutely amazing from beginning to end. Guest after guest complimented everything down to how much fun they had playing the game for the center piece. There aren't enough words to explain how happy my husband and I are with the services they provided and I would recommend the company over and over again. You will not be disappointed when choosing Sound Sensation. The process from beginning to end was easy and the price is well worth everything you receive.
