Since 2007

CLASSIC, ELEGANT, TIMELESS

At John Decker Photography, we hold an incredible passion for life, love, and documenting the emotional moments that add meaning to our lives.

Our approach to photography is natural and relationship-oriented; we love to get to know our clients long before putting them in front of the lens.

Our focus is on you, your family, your friends, your day, your fun.

Our goals are to create a special vision together with you, and immortalize the bonds, emotions, and moments that can't be re-lived or replaced.

Beautiful photographs are the real emotional moments frozen in time for you to remember and revisit with family, friends, or a quiet moment alone - we strive to create images that will be cherished for generations.
