A La Carte

Additional Shooters: \$650

Weddings can often come in large sizes, as such, a second videographer or photographer can come in handy. They are a significant help to the lead shooter and make the entire filming process easier and faster for the couple. The second shooter also doubles the amount of footage, making sure every priceless moment has been captured.

Additional Hours: \$400

Having shot many weddings, we've noticed that weddings have a tendency to run a little late, and there are cases where a few extra hours wouldn't hurt. Sometimes weddings may have 2 or even 3 locations throughout the day and transit time between them may be significant. The extra time will ensure that the shooting team has enough time to properly set up for those memorable moments, plan a specific shot, organize the crowd for group photos, and perform in the most efficient way.

Aerial Photography: \$300

Want to capture a unique perspective to your big day? Allow us to capture your special day above the clouds. (Local regulation advised)

Rehearsal Dinner: \$650

Up to 3 hours of coverage during the dinner and toasts.

Engagement Session: \$650

An engagement session is a fun and creative 3 hour photo shoot done prior to your wedding. It allows you to become comfortable with me as your photographer and me to get to know you better as a couple. You will have 50 edited photos to use for invitations and/or to display at your wedding.
