

Prices for Rev. Stacey Marries Services

Service	Description	Price
Simple yet lovely service, includes no customization beyond the vows you select and of course your names	<ul style="list-style-type: none"> • Approximately 10-14 minutes • Great for your town square, park, or patio • Have done these ceremonies on courthouse steps! 	\$150 plus travel if over 20 miles
Customized ceremony where you choose your vows and a reading. You may add one additional customization (i.e., handfasting, sand ceremony, etc.)	<ul style="list-style-type: none"> • Approximately 15-20 minutes • Great for any venue including sweet at-home weddings • Have done these ceremonies in several states! 	\$200 plus travel if over 20 miles
Fully customized service with <i>your very own love story!</i> I write the whole ceremony using information from you, your beloved, your favorite song lyrics or poems, and other special surprises. This includes choosing your vows, adding an additional customization (like handfasting or a sand ceremony) if desired. This one is my specialty!	<ul style="list-style-type: none"> • Twenty (20) minutes or longer, though could be shorter if you would like • Great for any venue, including any house of worship • This is a powerful, memorable ceremony • This service is my forte and the exact reason I have only 5-star reviews 	\$325 plus travel if over 20 miles
Conducting the rehearsal	Rehearsals can be stressful, so I take the pressure off you, your maid of honor, the wedding planner, and especially your moms! I'll lead you through the entire service quickly, make sure you're confident in everything for the wedding day, and send you off to rehearsal dinner with a smile on your face.	\$75 plus travel if over 20 miles
Traveling to your venue	<ul style="list-style-type: none"> • My residence is Wildwood, FL and the distance is calculated from there • Mileage is only charged for miles <i>over</i> 20 miles per direction <p>The first 20 miles <i>in each direction</i> are <i>included</i> in my fees</p>	.50 per mile over 20 miles each direction
