DOCUMENTING REAL LIFE LOVE STORIES

YOU & YOUR WEDDING DESERVE ONLY THE BEST.

Hey y'all!

Thank you so much for inquiring with me! I am happy to have you as a client & can't wait to get started! Every wedding is as unique as each couple's love story & this is why I love what I do! I never get tired of documenting wedding days because each one is so personal & I pour my heart into making sure your photographs perfectly document your day!

Below you can find what I offer as a wedding photographer! I only offer one package because everything about it is customizable. I don't like to be confined to an hourly package because I believe every part of your day deserves to be documented and deserves to be documented without the rush of time constraints. Whether you're planning an intimate 4-hour backyard elopement or a full 12-hour party, I'm there!

Let's get down to business & get you booked!

\$3,300 + TRAVEL

TRAVEL

Hi y'all!

I love that you want to make the most of your wedding by investing in; one, traveling with me to a gorgeous location for your wedding day or two, flying me out to document your wedding day! Weddings are a huge investment from emotions to finances & that does not go unnoticed! So when couples choose to invest in their photography, especially with traveling included, I am so honored & even more dedicated to making sure everything is perfect! If your photography is your number 2 priority on your wedding day (cause let's be real, number one is marrying the love of your life) I am your girl! I provide my couples with the royal treatment, by going beyond expectations! From creating the most romantic & dreamy photographs, referring you to the best vendors in the industry & most importantly being there to relieve you of your worries so you can enjoy your wedding day I'M THE PHOTOGRAPHER FOR YOU!

HAVEN'T FOUND WHAT YOU'RE LOOKING FOR?! LET'S CHAT!

I make sure to give my clients an above & beyond service from inquiry to send off! I am not in everyone's budget & that's okay!

However before you move on let's discuss what options are in your budget! You've read through this pricing guide & had certain feature stand out to you! So let's take your "wish list" and talk about creating a custom package!
