FAQS

HOW DO I BOOK YOU?

A 50% non-refundable retainer and a signed contract is required to save your date.

Once we have those, you are officially part of the family!

ARE YOUR PACKAGES CUSTOMIZABLE?

Yes! If there is any particular combination that you don't see listed, please let us know and we can put together the perfect package for your day!

DO YOU TAKE PAYMENT INSTALLMENTS?

Absolutely! We require 50% down and then you can visit your online portal to make payments of any amount, anytime you like.

The balance is due two weeks before your wedding.

DO YOU TOUCH UP ALL OF THE PHOTOS WE RECEIVE?

Yes we do. Every image we deliver is processed with our unique style. This involves color correction, exposure adjustments, selective black and white processing, blemish removal as well as cropping and straightening.

WILL I RECEIVE THE RELEASE FOR MY IMAGES?

Yes! Every wedding package includes your high resolution images on a thumbdrive ready for printing. You will also receive a release form that allows you to make all of your own prints as well as post your images online. We highly encourage you to back up your images to the cloud for archival.

Let's chat more about your dream wedding!
