## 2019 PACKAGE PRICES

Our goal is to make weddings affordable for all couples! To ensure we are able to provide the best possible pricing, we base prices on several variables - day of the week, number of guests, and package inclusions. Since full packages include all flowers/ centerpieces, setup and site clean-up smaller events require less preparation and staff and as a result save you money. If a larger event is what you are aiming for, when have packages for those to! For those on a very tight budget with great friends and family that are ready to help, the DIY package is perfect for you! Whichever your budget need, there is a price point to fit!
