**Comfort By Design** aims to create beautiful and uniquely personal wedding experiences for all its clients. We recognize that peoples' needs and budgets vary, so Comfort By Design offers three wedding collections to meet your needs. No matter which collection you choose, Comfort By Design's goal is to exceed your expectations. The three collections are Elegant, Luxurious, and Opulent. All collections include delivery, setup, and breakdown of the wedding ceremony and reception up to 10 tables.

The **Elegant Collection** has a starting price point of \$9500. It includes an arch decorated with greenery, flowing fabric, and florals for the wedding ceremony. The decor for the reception includes standard tablecloths, napkins, and stretch chair covers. This collection also includes charger plates, and your choice of a fresh floral or candle centerpiece. It also includes a decorated sweet heart table, cake, and gift table.

Our **Luxurious Collection** starts at \$11,000. It includes custom wedding arch, specialty table linens that include textured and high sheen fabric options. It also includes specialty stretch chair covers and charger plates, fresh florals and candle centerpieces. This collection comes with a custom photo backdrop, decorated sweetheart, cake and gift tables.

Lastly, our **Opulent Collection** starts at \$13,500 and includes opulence everywhere the eye can see. A custom wedding arch flanked by tall floral stands. Tall and reflective floral/stands create a walking isle leading to the beautifully appointed wedding arch. At the reception are sensual to the touch, high-end fabrics on all the tables, luxury chairs/stretch chair covers, glass charger plates for the wedding party, and specialty chargers for all guest tables. Lush and fragrant fresh florals, ambient lighting from softly burning candles and lighted crystal candelabra centerpieces add a touch of magic. Additionally, this collection includes fresh florals on tall holders to mark the aisles and wedding path, custom photo backdrops, and luxuriously decorated sweetheart, cake and gift tables.

You may have special requests for an additional charge in either collection. Once again, our goal is always to exceed your expectations!

Sincerely,

Janie Rouse, Owner/Designer
