COORDINATION

You are super organized and maybe even a little control-freaky. (Trust us, we get it.) All your creative partners, set up, designs and décor plans are handled and are perfect. Planning a wedding for you is a breeze and a lot of fun. But, you (and your family and friends) want to enjoy your big day without having to stress about decorating, greeting and assisting the vendors, making sure your cake is being cut on time, or packing up boxes in fancy dresses.

We are here to save the day. Our staff will be there, by your side, all day and night making sure every little detail is executed according to your plan. And you won't have to worry about a thing. After all, it is YOUR day. The only things you should be thinking about are being pampered, being in love, and marrying your best friend.

Coordination packages include:

- Unlimited phone | email communication beginning 2 months prior to your event
- Aisle Planner access for all your planning needs
- 10 planning hours beginning 2 months prior to your event, including 2 in-person planning meetings
- Up to 12 hours on event date
- Access to our full preferred creative partner list for referrals
- Includes all Essential Services*
