

List Of Services

Hand-In-Hand (Day Of Coordination) \$1500.00+

This is for the bride who has planned everything but needs someone to manage the day of the wedding. We'll manage the vendors to ensure everything is set up correctly and lead the ceremony and reception to ensure your day is truly one that will always be remembered! .

Package will consist of Day-Of coordination, that will start about 1 month prior. We'll start out by contacting your vendors and coordinate their arrival, setup, and breakdown. We'll create an itinerary for the wedding day and we'll be on-site and on-call the day of. We'll also be directing the ceremony transporting items to the reception and of course coordinating the reception.

Service will include:

1 one hour consultation

2 meetings to discuss any needs or concerns you may encounter

6 hours of wedding day coordination

Step-By-Step (Partial Planning) \$2750.00+

This package is for the bride who has already started planning her dream wedding. We'll step in and finish. We'll take care of the remaining details so you can relax the last few months. .

Package will consist of everything included in the Day Of Package, additionally we will be available from the time contract is signed, to the day you say I do. Need us to take your place at vendor meetings? We're there. Need vendor referrals, We've got you covered. We understand that you still want to have an active role in your wedding day, we're here to help you have a day that will always be remembered.

Service will include:

3 one hour consultation

4 meetings to discuss any needs or concerns you may encounter

10+ hours of wedding day coordination

Down-The-Aisle (Full Planning Package) \$4500.00+

From vendor selections to bubbly exits, we'll take care of it. We will work closely from the very beginning to create the wedding that will always be remembered. All you have to do is sit back, relax and show up in that gorgeous dress , ready to marry your best friend.

Package will consist of everything in the Day Of & Partial Planning Packages, as well as an EBA (estimated budget analysis). We'll assist you in finding a venue, along with making recommendations, within budget and style for vendors. We'll setup vendor appointments to accommodate your schedule and attend most as needed or asked to.
