# MY PHILOSOPHY

My laid-back yet intentional direction style allows me to focus on capturing the natural reactions and moments that occur throughout your special day.

My approach to photography is a delicate balance between documentary and editorial. I strive to tell an authentic story through my images while showcasing the magic of the moment. I edit my photos in a warm and nostalgic style that captures the moment as you remember it, without overly altering the images.

ELYSE MENDELSON

## BEHIND THE CAMERA

I'm a visual storyteller, with a love for capturing the honest, unscripted moments that tell your story. I look for beauty in the quiet, tender moments that often go unnoticed. If you're a nostalgic soul and love honest and raw photos that tell your story, then we might be perfect together!

As a newly-wed myself, I know how important your wedding photos are. I am committed capturing the moments worth re-living, time and time again.

# YOUR WEDDING DAY

On your special day, expect me to seamlessly blend into the background while capturing the genuine moments. I'll work in harmony with other vendors, ensuring a smooth and stress-free experience. Flexibility is my forte, adapting to the dynamic nature of weddings with an eye for detail.

Beyond snapping photos, I'm committed to creating a relaxed atmosphere, allowing you and your loved ones to fully enjoy every moment. Anticipate a photographer who not only captures your story with authenticity but also contributes to the overall joy of your celebration, delivering cherished memories that will last a lifetime.

# FAQ

## WHERE ARE YOU BASED AND DO YOU TRAVEL?

We are based in Palm Beach County but love to travel! In an effort to keep our base packages as low as possible, we calculate travel fee's outside of Palm Beach County. If your event is out of state or out of the country, inquire about a customized package which will include travel.

## WHAT IF IT RAINS?

Nothing will get in the way of making your day special! My team has shot many weddings in Florida where rain decided to join the festivities. I pride myself on being the type of photographer to kick off her shoes and run into the rain to get the perfect shot. We can use umbrellas, find a covered area, or roll with the punches and capture those romantic rain kisses!

## CAN WE PICK OUR SONG FOR THE FILM?

Unfortunately, no. We have access to licensed music which is completely legal to use and post online. We are always careful to choose the music that fits the vibe of the day that reflects our style as well as your day! It's part of the creative control you give to us when you book.

## HOW LONG DOES IT TAKE TO RECIEVE OUR PHOTOS/FILM?

Our turnaround time is 6-8 weeks from the wedding day. Sneak peek images will be delivered in 2-4 days.

## WE DONT LIKE POSING AND WE FEEL AWKWARD, IS THAT A PROBLEM?

That is not an issue at all! We will be there to talk you through it and make you feel as comfortable as possible. We will suggest a few poses to ensure you are both looking and feeling confident but then will give you direction and play around to let those natural reactions unfold from there. Forget about the cameras and remember why you fell in love. If this is something you are very nervous about, I highly recommend booking an engagement/couples shoot! This will give us a chance to get to know each other and ease any concerns you may have.

## DO WE NEED TO FEED YOU?

Yes please! We will be on our feet all day and need fuel to keep the creativity flowing! Your venue will typically offer vendor meals. All we ask is that you let your coordinator know that we need to eat at the same time as the bridal party and guests as we dont want to miss any important moments!

## HOW DO WE RECEIVE OUR PHOTOS?

We will deliver an online gallery to you which allows you to download your images from the internet. Films will be delivered via wetransfer email. Depending on what add-on's you purchase, you may also receive a USB.
