## FULL PLANNING *and* DESIGN

A full-service approach in the planning, design and execution of your event. This is for the couple who is looking to tackle the wedding planning process with step-by-step guidance from a lead wedding professional. Together we will plan a wedding that is contextual to you, your style and your love story.

Curated design, vendor selection, budget management and logistical scheduling is just a glimpse into our collaborative process. With over a decade in experience, renowned vendor relationships and our notorious hands-on approach we are confident that we can execute a wedding fit for you and free from stress.

In addition to curating the aesthetic of your event, our team will also serve as your direct representative(s) on the wedding day to ensure a flawlessly executed celebration. Going beyond the scope of traditional coordination, we truly view our efforts as more than a series of simple to do's and tasks. The planning and production of your event is the foundation of your celebration, but the management and execution of it is where the magic happens.

Full wedding planning investment starts at \$4,250
