JESSICA & STEPHEN - AUGUST 2021

hello there!

MY NAME IS ASH; IT'S NICE TO MEET YOU

LET'S MAKE YOUR BIG DAY AMAZING!

I'm the owner & photographer of Ash Renee Photography. I love freezing time & capturing that exact, "i do" moment. I've always been a nerd of the mysterious, so this is the closest I could get to time travel.

Based out of Austin, TX, I've been photographing weddings for several years.

When I'm not behind the camera, you can find me at a local brewery with my husband (we got married in 2020!) Jon, our Corgi Taco, and our Golden Retriever Butters (we like the food theme).

I picked up my first camera when I was 13 and never looked back! I packed up & moved to Austin to start my photography career. Okay, okay. I lied. I moved for a man-who is now my husband and in my pic below!

CLIENT TESTIMONIAL

"Ash was an amazing person and photographer to work with during our wedding. Not only did she take amazing photos of us and our families during our ceremony and reception, she provided comfort to ease nerves and helped around our venue during the reception without being asked.

She was joyful, personable, funny and we have such great memories of working with her. The photos are lovely and you can tell that Ash is a true professional and is skilled at what she does. She has a great eye for capturing posed and candid moments.

We will work with her again for any event or celebration that needs photos! I highly recommend her services."

FAQ

DO YOU TRAVEL?

I do! I'm happy to create custom packages to fit your wedding plans. Travel and accommodation costs are not included in wedding packages. During our consultation, I will be able to provide you a better quote, including travel costs.

CAN WE HAVE A CUSTOM WEDDING PACKAGE?

Absolutely - Feel free to reach out for a custom quote.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Great question! I'd say 70% of the way my photos look comes down to the way I edit my photos. Each photo receives basic color correction, cropping, adjustment for lighting etc, as well as a custom filter to give it the bright and airy vibe you see in my portfolio.

DO I HAVE TO GET MY ALBUMS & PRINTS FROM YOU? CAN I POST MY PHOTOS ON SOCIAL MEDIA?

A lot of studios do the watermark thing or force you to print albums through them - I'm not a big fan of that route. I do offer albums and prints, but the way I see it, you've invested a lot for your photos, so you should have the freedom to do what you want with them for personal use, including post on social media.

I'M READY TO BOOK! WHAT NEXT?

Awesome! I can't wait to get to know you two and I'm honored you've chosen me. To book, I require a signed contract and \$500 + tax deposit. The rest of your balance will not be due until 2 weeks prior to your wedding date. Let's schedule your consultation either in person or virtually!

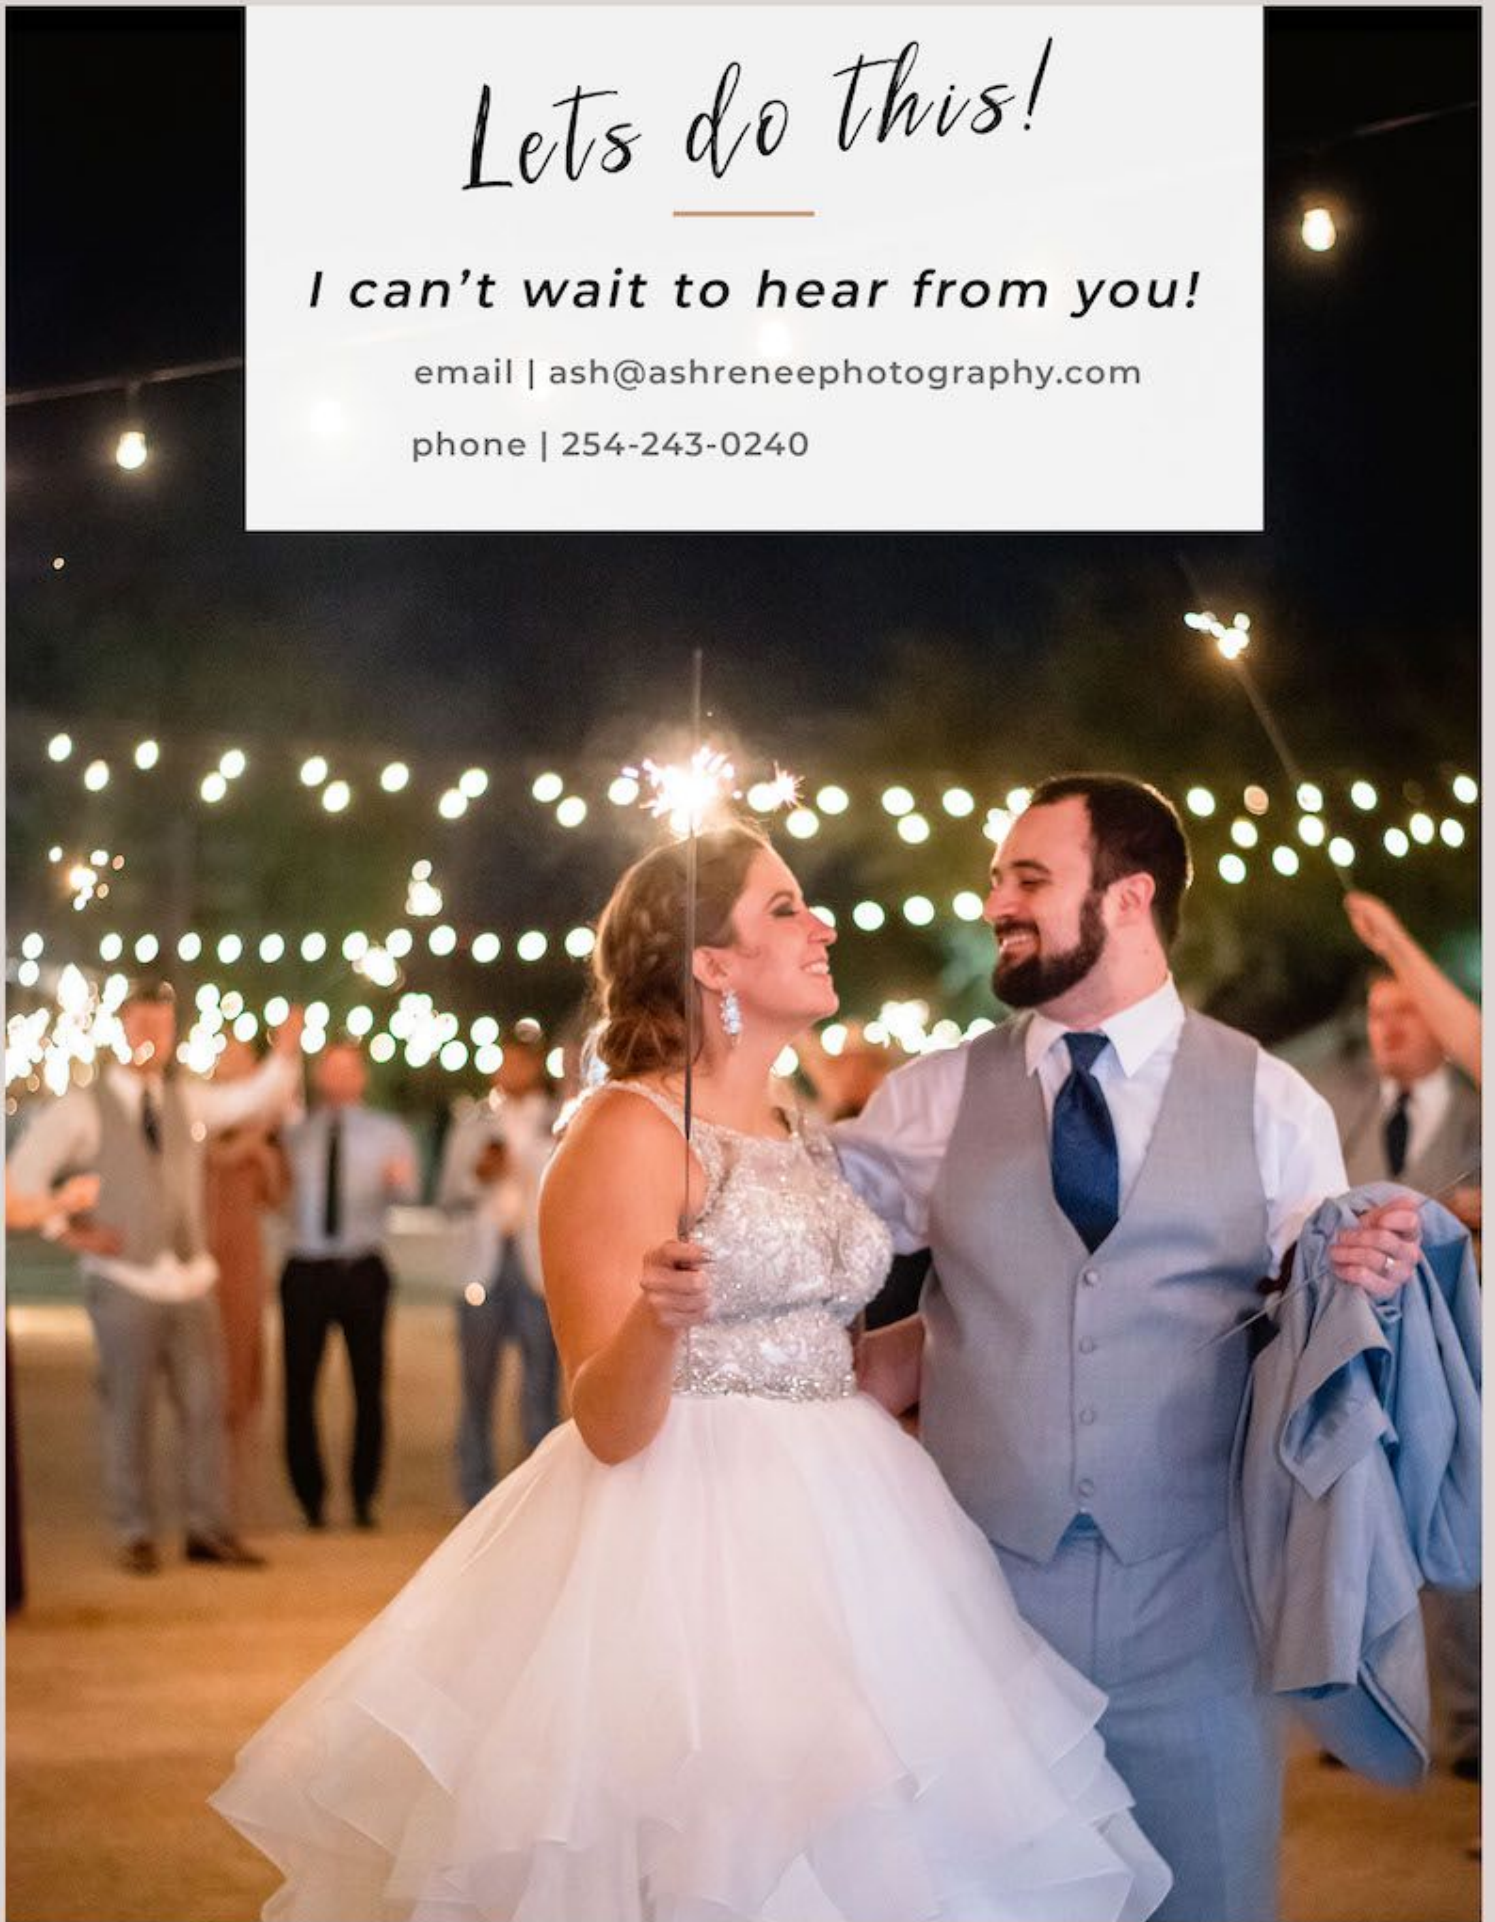

Lets do this!

I can't wait to hear from you!
