# Welcome

to weddings at Rock Creek Country Club and congratulations on your recent engagement!

We have planned and executed thousands of wedding and are proud to be experts in our field. Private surroundings, spectacular views and excellent service are just a few of the benefits RCCC has to offer. Our event spaces can be easily transformed to fit your vision while our professional staff of event planners and culinary experts will ensure attention to every detail and customize the perfect menu.

On the next few pages, you will see several options to consider when planning your event. You may either rent one of our spaces and bring in your own outside catering or hire our staff to cater and serve at your event. Most of our clients choose to use RCCC to cater, as it is usually the most cost effective option. Rental and catered events both come with tables, chairs and linens. For catered events, place settings, staffing and all food service ware will also be provided.

Rock Creek offers two all inclusive wedding packages that are sure to fit your party needs. These packages are priced to include your space rental fee and your Food and Beverage fee. They also include extra services that will only make your special day better. If you do not see what you are looking for, we can always create a custom package.

Thank you for considering us for your special day.

Warmly,  
The Events Team at RCCC

## The Lawn

(accommodates up to 300)

A serene area to host a Wedding Ceremony or cocktail hour. The lawn boasts a well-maintained focal backdrop with a paved stage and white arch that can be decorated with flowers. One of the oldest trees on the property stands to one side of the lawn and is a picturesque feature.

## Pavilion Tent

(accommodates up to 250)

This seasonal outdoor space is our most popular space option in the summer months. It is available May - October, when the Oregon weather is perfect for celebrating outdoors. With wonderful views of the garden and golf course, this blank space can be transformed to fit your vision. This space also includes the garden, complete with string lights, and a portable bar. A portable dance floor and speaker system are also available upon request.

## Banquet Room

(accommodates up to 200 people)

Our Banquet Room is the largest of our indoor spaces. This room is the perfect option for those wanting larger indoor receptions and allows for many different layouts. This space boasts a large dance floor that is located next to a wall of windows, a permanent bar, excellent sound system and a projector.

## Chalet Room

(accommodates up to 80)

This event space is perfect for more intimate affairs and is a favorite among our team. The Chalet is both modern and rustic, full of natural light from the skylights and features loft ceilings. A large built-in bar and private deck are two more features in this room.
