## PRICING GUIDE

### FULL PACKAGE

This package walks the client through the entire planning process from popping the question to the sparkler send off at the end of the wedding night. This includes finding and booking vendors, planning and designing the ceremony and reception, taking care of decor needs, ensuring all details are taken care of, and ultimately making the entire process stress-free and exactly what you had envisioned!

**\$2,250**

### PREP PACKAGE

This package helps guide clients through the planning and designing process. This is for the couple who knows what they want, they just need some help making it happen. This includes helping with designing and creating the ceremony and reception, aiding in finding decor, and taking care of any needs the day of the wedding.

**\$1500**

### DAY-OF PACKAGE

This package is for the organized couple who know exactly what they want, but just want to make sure the day goes as planned. This includes taking care of any needs the day of the wedding and ensuring the day runs smoothly. This does not include set up or take down, but can be added for an additional cost.

**\$600**
