### **The One-Day Wedding - \$1,999**

The One-Day Wedding Package is a 12-hour rental for ceremonies or gatherings between 10am-10pm for up to 125 guests. Rental period will include time for all set-up and break-down. Additional guests, time and amenities can be added (see below). The couple can arrange a walk through of the property in advance of the wedding to choose their favorite ceremony site. Receptions can take place in our 40' x 60' covered pavilion, and you'll also have access to the covered stage. Guest parking is available on site. Bridal party members can get ready in The Farm House, which includes a full bath and private bridal suite, as well as ample space for bridal party to prepare themselves and wedding materials.

### **The DIY Wedding - \$3,199**

This package includes access to one of the farm's many ceremony sites, the stage and 40' x 60' reception pavilion, and parking for up to 250 guests. Your wedding party will have access to the farm for up to 4 hours on the day prior to the wedding for set up/rehearsal, 24 hours on the wedding day/night, and until 4pm the day after the wedding for cleanup. The bridal party, caterers, and essential wedding staff will also have limited access to the house (full bath, bridal suite, kitchen, and rooms for decoration prep/storage) between 8am-10pm the day of the wedding. Guests are welcome to camp in the designated campgrounds on the night of the wedding. This package is totally DIY. It does not include any set up or clean up assistance from our staff or production services.

### **The Easy Breezy Wedding - \$3,799**

This packages includes everything from the DIY Package, plus table and chair rentals with linens for up to 250 people. Table and chair orders and set up for the ceremony and reception will be fully coordinated by The Ball Farm staff, with direction from the couple and/or wedding coordinator.

Additional services can be added. See prices below. Please note that all packages are subject to a cleaning deposit, which will be refunded once the property is returned to its original state.
