### Envelopes, per address:

Outer envelopes, plain/ light/ unlined: 1.75 each

Inner/outer envelope set, plain/light/unlined 2.00 per set

Outer envelopes, colored/lined 2.00 each

Inner/outer envelope set, colored/lined 2.25 per set

Color ink other than black: this is a one-time fee applied to the whole order, regardless of quantity:  
5.00 for standard color/metallic; custom colors up to 8.00

Return address: .75 each if address only, 1.00 each if names/address

RSVP envelope: 1.00 per envelope

\*A custom stamp with your address is a more economical alternative; I can provide hand lettering of your address as a digital file for \$5.00 if I am doing the guest addressing. I do not make stamps but there are many vendors on Etsy who offer this service.

### Placecards/Escort cards:

Lettering on provided cards - names only - .50 each card; name and table name/number - .75 each card (fee for table number not applied for numeral only)

\*I can create cards in almost any color/style, starting at 1.00 each for flat card with lettering, 1.50 for tent-fold with lettering in white or ivory. Other colors/styles priced accordingly.

I also offer mini escort envelopes with insert cards in white or ivory for 1.50 per set including lettering. These offer convenient flexibility in making last minute seating changes as you only have to rearrange the cards among the envelopes. Extra seating cards can be purchased for .50 each. Insert cards can be a custom color, as can the ink.

### Table numbers and small signs:

Price depends on size, color, and amount of text; 5 x 7 numbers and short phrases typically 1.50 – 2.50

Other custom projects/pieces priced individually according to length, size, detail, etc.

\*Please note that it is important to include ample extras if customer is providing materials; all work is done by me by hand with traditional dip pen and ink method, and occasional smearing and errors are inevitable, and changes/additions to the original list by the customer are very common, so 15 – 20% extra envelopes or cards is standard for any size order.

I do not charge extra fees for minimal changes and additions that come along during or after completion of the order; standard fees and shipping charges apply.
