Design + Planning + Coordination

We'll help with all the details every step of the way. We'll pull the look and feel of the wedding together and recommend the right vendor partners for you. We'll track down services and items that are hard to find. In short, we make planning a wedding a very easy and enjoyable process... You'll be able to relax throughout the entire process, knowing that every single detail has been thought about and is being taken care of. It's a collaborative approach and you make all the final decisions, but we do all the heavy lifting for you...

- Planning sessions to discuss wedding and design elements down to the tiniest detail that reflect your style and personality
- Venue + vendor recommendations that fit the wedding design + budget
- Detailed budget development and tracking
- Reminders when payments or other items are due
- Schedule and attend all meetings with you
- Templates to assist with RSVP tracking and escort cards
- Address any etiquette concerns
- Visit both the ceremony and reception sites prior to wedding
- Confirmation of all services two weeks prior to wedding date
- Detailed itinerary for wedding day distributed to all vendors
- Vendor payment distribution on the day of the wedding
- Attend the ceremony rehearsal and coordinate
- Ceremony and wedding and coordination
- Unlimited meetings, phone calls and emails throughout planning

Pricing for this package starts at 4000 and is based on a percent of your wedding budget. For private venues like a home, pricing is a fixed fee.

Month of Coordination

All the hard work is done and the details are set. Let us assist you with the final month so you can relax a little.

We will confirm all your services, create a super-detailed timeline and coordinate the rehearsal, ceremony and reception to make sure your special day is exactly the way you envisioned it and that it runs smoothly, leaving you free to enjoy this once-in-a-lifetime day!

- Complimentary consultation to understand your vision of your wedding
- Vendor referrals as needed throughout your planning process
- Planning session to develop the wedding day itinerary
- Visit both the ceremony and reception sites
- Confirmation of all services two weeks prior to wedding date
- Detailed itinerary for wedding day distributed to all vendors
- Vendor payment distribution on wedding day
- Attend the ceremony rehearsal and coordinate
- Ceremony and reception coordination
- Unlimited phone + email consultations for the 4 weeks before your wedding

The 'month of' package is offered on a limited basis and can be booked within 5 months of the wedding date. Talk to us about your wedding and we can help you determine if the 'month of' is the right level of support.

In situations when the ceremony and wedding are at a private home or similar scenario, 'month of' is not available, simply because there are many potential complications that need to be addressed throughout the planning process to ensure a flawless and worry-free wedding.

Pricing for this package is 3000
