Our pricing includes so much that I like to call it all inclusive pricing since it includes so much that other venues charge you extra for, here's a short rundown

1. **10 hours, plus 3 hours** of onsite personalized design and coordinating consultation..
2. **Set up, tear down, clean up and decorating:** YES!!! We do it all for you and YES we are unlike any other venue. We do this so you and your family may enjoy your day with as little stress as possible!
3. **All tables and chairs.**
4. **Linen tablecloths and napkins.** Tablecloths and napkins are available in multiple colors,
5. **Decorations:** This not only includes all decorative white twinkle lights, various topiaries, potted plants and trees, columns and pedestals but also individualized table decor including table overlays or runners in your special colors and table centerpiece hardware (mirrors, vases, votive holders and other unique fun stuff).
6. **Professional MC:** this is so important and makes our events stand out from any other venue!!! Also for only \$350 more you can have our fantastic MC (Martin Iverson) DJ!!!
6. **Bride's room:** A special large room with lots of mirrors and a private bathroom for the Bride and her maids. This room is decorated in romantic white on white and will have your personal color accents.
7. **Groom's room:** A very masculine room, just for the guys with their own private bathroom.
8. **On site Coordinator:** A professional is provided to help you get down the aisle and through all of the ceremonial items in just the way you want and in a timely manner so you will thoroughly enjoy your most special day of days. (also known as "The Day Of" package with wedding planners- a value of \$1200-\$1500 included at no extra charge)
9. **Sound system:** A state of the art sound system & cordless microphone for both rooms and outdoor gazebos. (The sound system is designed for Ceremony, background and dinner music- it is not meant for DJ or dancing music and volumes.)
