Testimonials

“ I worked with Barefoot Holiday's in planning my destination wedding! From the minute I got to St. Lucia we felt welcomed and taken care of by them. The staff is incredibly friendly and accommodating, and did everything they could to make sure me and my guests had a wedding and experience of a lifetime. My mom and I worked closely with Nadia, who was absolutely FABULOUS! She was always available, accommodating, and on top of everything. She made sure it was exactly how I dreamed my wedding day would be. Given I was planning from afar I wasn't sure what to expect, but Nadia and the team delivered in a way that far exceeded my expectations. I would highly recommend this company to anyone planning a destination wedding in St. Lucia!”

- Aviry & Bret

“We would definitely recommend Barefoot for wedding and honeymoon planning in St Lucia. Nadia was our wedding planner and she was amazing and extremely patient (particularly as I am an event manager myself and so had very high expectations!). She helped us choose the location (the very beautiful Pigeon Island) and organized the legal requirements, transfers, venue, flowers, photography, hair, make-up and timing. She also helped us select a venue for dinner afterwards and some dinners/tours/excursions throughout the week. Everything was just perfect and we cannot thank her and the team enough. We would also definitely recommend St Lucia as a wedding location - we stayed at the Marigot Bay Beach Resort & Spa for 7 nights and the Windjammer for 6 nights, which allowed us to experience different hotel styles and see different areas of the island, which was great. The whole wedding and honeymoon was a magical/amazing experience - the only downside is that we want to do it all over again and again!”
