MEET SARAH

I'm SARAH, the owner & principal photographer of Sarah Fischback Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of SAN JOSE, CA, I've been shooting weddings for 5 years now.

After graduating from Saint Mary's College of California with a Bachelor's Degree in Kinesiology in 2014, I quickly realized that the health field was not for me. I started documenting weddings of friends and family members to build up my portfolio ... and with a little faith and a supporting nudge from my husband, I was finally able to make photography a full-time career in 2019!

I absolutely love what I do! It has been a journey to get here, but I couldn't be more thankful with where I am now with my business.

THINK ABOUT GETTING A WOODEN HANGER FOR YOUR DRESS. THEY PHOTOGRAPH WELL AND MAKE GREAT KEEPSAKES FOR YEARS TO COME. OUR TIME TOGETHER WILL GO BY QUICKLY, SO REMEMBER TO RELAX AND ENJOY THE BIG DAY!

Helpful Tips:

Details help tell the story of your wedding and are often some of our clients' favorite images to include in albums & prints.

Gather all your details before the day starts so I can photograph them quickly! This makes the getting-ready portion of the day go by much more smoothly, and it allows me to spend more time focusing on the spontaneous moments when everyone is together.

Detail shot ideas: dress on hanger, rings, jewelry, hair pieces, flowers, shoes,, cuff links, letters, pictures, gifts, cultural items, invitations, programs, printed pieces, and any unique items you treasure!

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: This depends on the package you choose, but you are more than welcome to add a second or third shooter for an additional cost.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game!

Q: Will there be watermarks on your images?

A: No! All images sent to you via online gallery or on your usb will have no watermarks.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged accordingly, depending on the type of corrections.

I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: No - But I am happy to recommend great companies to go through.

Q: What equipment do you use?

A: I use all of the latest Nikon equipment. I always carry the Nikon Mirrorless Z 6ii & Z 7ii on me & have my D750 as a backup. The main lenses that I have with me on a wedding day are: 24-70mm 2.8 / 70-200mm 2.8 / 50mm 1.2 / 35mm 1.4 / 105mm 2.8 / 85mm 1.8

Q: Do you photograph destination weddings?

A: Yes! I am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding day on the calendar. The remainder of your balance is due ONE week prior to your wedding.

"SARAH WAS SO GREAT AT HELPING US WITH POSING DURING OUR SESSION! WE'VE NEVER FELT COMFORTABLE IN FRONT OF THE CAMERA, BUT SHE MADE US FEEL RELAXED & WAS ABLE TO MAKE US LAUGH - WHICH HELPED US CAPTURE SOME SWEET CANDID MOMENTS. WE ARE SO IN LOVE WITH HOW OUR PHOTOS TURNED OUT & CAN'T WAIT WORK WITH SARAH AGAIN IN THE FUTURE."

What To Expect

On The Day OF

I approach engagements and weddings with a calm and relaxed observation. A mix of blending in so you forget I'm there and stepping in to make you look and feel your best. My goal is to always be your source of calm and to be mindful of creating images that reflect your relationship - whether that's energetic, gentle or affectionate. It's all about real moments, having fun & being in love

HELPFUL TIPS

Before your engagement or bridal session, be sure to try on your wardrobe options to make sure they look & feel the way you want. While it is great to complement your future spouse in photos, by no means do you need to wear matching outfits.

Bring a few more accessories & outfits than you actually plan on wearing. It's always a good idea to have options!

If you're wondering what to wear on your wedding day before getting ready, wear something comfortable! You want to start off your shoot feeling relaxed (idea: throw on a tank top with leggings & a kimono).

Is your skin looking a little dry? Remember to stay hydrated the week before your shoot. For an added glow, avoid alcohol & extra salty foods. Hydration is key to healthy skin!

Are you thinking about getting a spray tan & using tanning lotion before your session? Don't do it! Aside from the unwanted streaks these products often leave, they also give your skin an orange tint that isn't flattering in photos.

Remember to relax & have fun! I'll take care of all the nitty-gritty details - sit back, & enjoy every moment!
