

MY SWEET DIVA, LLC WEDDING CAKE SERVICES

Congratulations on your upcoming wedding! We love everything weddings and our wedding cake collection features classic to vintage designs.

We hand decorate all the cakes in buttercream & fondant. Currently, we only create wedding cakes up to 4 tiers only.

Cakes range from \$5.50 for buttercream to \$6.50 for fondant per serving depending on the design and servings.

OUR WEDDING CAKE PROCESS

You will be scheduled a virtual consultation so that we can cover any questions you may have. Come sit down with Laytora - our lead cake artist, to plan your perfect day while enjoying your delicious samples.

Please bring any color swatches, sketches and share your Pinterest boards with you at this time. You will be scheduled a time and the tasting usually lasts about 45-60 min. If you need to reschedule or are running late please let us know.

Because we bake fresh daily, wedding tastings are \$50.00 for 2 guests. Should you book with us, that balance along with the \$100 retainer fee goes towards your wedding cake total. You can select your choice of 3 flavors, 3 fillings, and 3 buttercreams.

To schedule a virtual consultation, we invite you to complete our [Virtual Wedding Cake Consultation Form](#).

After your consultation, you will place your order using our [Wedding Cake Order Form](#) along with your \$100 retainer fee to secure your date.
