

Cotner Photo Co. Price Sheet 2020

All packages will include extensive consultation prior to your wedding to discuss details and preferences. These consultations can be in person or via a FaceTime/Skype/Zoom call. All packages also include two photographers. Your photos will be delivered within 30 days via a private gallery on www.pixieset.com. All files will be viewable and downloadable from that gallery.

1. Elopement: \$1200

We will join you wherever you'd like to go to say your "I do's". Whether that's at the beach or at the top of a hike, we are there. We'll be present and shooting photos for 8 hours.

2. Standard Wedding: \$1900

We'll document the entirety of your wedding day. We'll capture moments throughout your big day from the getting ready to the sendoff. Expect between 400 and 600 final photos.

3. Complete Wedding: \$2500

We'll document your entire wedding day (no time limits) from start to finish. We will also shoot engagement photos in the months prior to your wedding. We are happy to recommend locations for the engagement shoot or go to a spot that is special to you. After your wedding day is over, we'll build a custom layflat photo album for you. Of course, your digital files will also be available within 30 days via your private Pixieset gallery.

Custom Layflat Photo Album: \$149+

Our custom photo albums are constructed by Artifact Uprising. We will collect your favorite photos from throughout your wedding day and design a photo album for you. Artifact Uprising offers a variety of sizes and layouts. We will work with you to get you a book to remember your wedding in elegant detail.

Individual Prints

High quality individual prints are available in a variety of sizes and can be printed on a variety of materials. We are happy to coordinate the ordering of these products for you. Prices will vary based on your specifications. Get in touch for a quote.
